## CONDITIONS

NOTE: City of Bremerton's approval of this application pertains only to the city's regulatory jurisdiction, and thus compliance with City regulations does not necessarily ensure compliance with federal or state laws.

- \*8. (ROW-19) There appears to be private electrical lines crossing Thompson in the vicinity of the drilling area. Please contact the Marina Office or adjacent property owner for their utility location. One line goes from the electrical meter box across the street to the motor driven gate at the Marina Parking lot and there is underground power to the small lights going down along the Marina Driveway.
10. (ROW-01) For underground locates call: 800-424-5555
20. (ROW-02) Traffic Control shall be per Washington State M.U.T.C.D. and City of Bremerton Standards. Notify CENCOM (360-307-5800), Kitsap Transit, Paratransit, Bremerton School District (during school year), and Kitsap Disposal of work schedule prior to start of work, if blocking driving lanes. "Sidewalk Closed" signs shall be used at each end of the work area during construction if working in or across pedestrian area.
30. (ROW-03) The Permittee and any of the Permittee's contractors are required to name the City of Bremerton as an additional insured on their insurance for the work in the right-of-way.
